Stechford's NF Candidate menaced

ANDREW BRONS GETS JAIL THREAT FROM RACE BOARD

THE POWER-MAD TYRANTS OF THE RACE RELATIONS BOARD ARE AT IT AGAIN! AFTER JAILING A PATRIOT FOR ADVERTISING HIS HOME 'FOR SALE TO AN ENGLISH FAMILY', AND THREATENING TO JAIL A SCOTSMAN WHO WANTED A 'SCOTTISH' COOK, THEY NOW WANT TO JAIL ANDREW BRONS, THE NATIONAL FRONT CANDIDATE IN THE FORTHCOMING STECHFORD PARLIAMENTARY BY-ELECTION.

WHAT IS ANDREW BRONS' "TERRIBLE CRIME"? THE RACE BOARD BULLIES SAY THAT HE AND ANOTHER NATIONAL FRONT ORGANISER REFUSED A NEGRO NEWSPAPER REPORTER PERMISSION TO ATTEND TWO NATIONAL FRONT TICKET-ONLY MEETINGS WHICH TOOK PLACE AT LEEDS, IN APRIL AND MAY OF LAST YEAR.

The 'charge' is obviously ludicrous to all sane fair-minded British people, and is clearly the planned outcome of political malice.

Unwilling to bow to Race Relations Board tyranny Andrew Brons and his colleague, Leeds NF Organiser Brian Spink, have refused to answer any of the threatening letters from Pakistani Immigrant Hazlum Khalid, Secretary of the Leeds Race Board.

They have refused to attend Tribunals set up by the Board. (At these Tribunals members of Race Board – who are either Immigrants, Zionists or Left-Wing race-mixers – act as prosecutors, judges and jury!)

As Andrew Brons, a college lecturer in politics and government, has campaigned against Coloured Immigration since he was a teenager (he is now 29) and is a member of the NF's Executive Council, he could not expect a fair hearing from the Race Board.

RIGHT TO CHOOSE

In order to defend the British peoples' right to choose whom they will mix with and patronise Andrew Brons has decided to treat the Race Relations Board with "contempt '.

Andrew Brons with his wife Sue and his daughter Louise

As expected, the Race Board has "formed the opinion" that he and Brian Spink committed acts of "unlawful discrimination" and has asked them to undertake never to discriminate again and to give the Black newspaperman a grovelling apology!

They have refused, and so now they are being threatened by Race Board's Solicitor (a sinister Zionist called Bindman) that unless they kow-tow they will be summoned to appear before the County Court.

Andrew Brons and Brian Spink have now received their Court Summonses in respect of the incidents.

BRITISH FREEDOM

Andrew Brons says: "When I get the Summons I shall ignore it. I shall refuse to attend Court. I shall continue to treat this politically-motivated harrassment with contempt. If the Court finds against me I shall ignore any injunction designed to inhibit my freedom of speech and action. I shall refuse to pay any damages to the Black or any legal expenses incurred by the Race Board.

"If they proceed against me for "Contempt of Court", then I will go to jail rather than abandon this fight for British freedom. My wife Sue is right behind me in this. I am fighting for the future of our daughter Louise and for millions of British kiddies like her.

"We of the National Front will not betray Britain the way the cowardly and corrupt politicians of the Conservative, Labour and Liberal parties have done for so long."

ANTI-BRITISH CONSPIRACY

The prosecution of Andrew Brons is the outcome of a carefully-laid plan by extreme Left Wing members of the National Union of Journalists and Zionist and Communist subversives in the Race Relations Industry to try and intimidate him from continuing the promotion of the National Front in Yorkshire.

Last year, in Bradford alone, NF candidates won over 10,000 votes and the race-mixers hope that if they could frighten Andrew Brons off further involvement in political work then the dynamic development of the NF in Yorkshire would halt.

They made a big mistake when they picked on Andrew Brons!

Now the race-mixers are speeding up their Court actions to try and inhibit Andrew Brons' campaign as the NF candidate in the Stechford Parliamentary by-election, expected to come this March. But this ploy is also doomed to failure.

"I am quite prepared to conduct my campaign from a prison cell," says Andrew Brons. "There are hundreds of NF members in the Birmingham area who are already working to bring the NF message and news of my campaign to the voters of Stechford."

There are many thousands of British voters in Stechford who are ready to give Andrew Brons their votes and the encouragement he needs to keep up his brave fight on their behalf to win back a "Britain for the British"!

A vote for Andrew Brons is a vote for a man who has proven his willingness to ACT to stop Coloured Immigration, and not just talk about it like Conservative candidates do!

Paul Kavanagh NF Candidate at Westminster

BARBICAN, City of London, resident Paul Kavanagh has been adopted to stand as the National Front candidate in the Parliamentary by-election for the Cities of London and Westminster South constituency, likely to be called shortly.

Mr. Kavanagh is the Treasurer of the Islington NF Branch. A highly qualified engineer, he is the proprietor of a London based engineering company which designs and manufactures sophisticated precision machinery.

A keynote of his campaign will be a demand for curbs on foreign imports and incentive policies designed to encourage workers and investors alike to revitalise British industry.

Anger not hatred

NATIONAL FRONT NEWS does not intend to allow itself to be intimidated by the new Race Relations legislation. This paper will continue to report events in the multi-racial society which we feel have been played down or suppressed by the pro multi-racialist news media controlled by the Establishment.

If the information which we give arouses our readers to feel anger – which we hope it does – all we ask is that they channel that reasonable and adult emotion into constructive and constitutional political activity: support for the National Front, so that the real enemies of the British people – the traitors in Parliament and the international monopolists who own them – can be thrown out and replaced by patriots.

The first leaflet the NF ever produced solely on the subject of mass Coloured Immigration was headlined: *"Racial Hatred is a Sign of Emotional Immaturity"*. It urged Britons not to direct hatred against the Immigrants as racial hatred is a negative emotion conducive to unconstructive actions which only play into the hands of the multi-racialists. Hatred must be reserved solely for the wicked "British" men and women who have betrayed our nation so abominably.

That approach remains National Front policy, and will be the unaltered policy of this paper.

NF Chairman slams latest budget fiasco

IN A stinging attack on Chancellor Denis Healey's latest 'mini-budget' NF Chairman John Tyndall told a meeting in Hackney, London in January that the budget was the most irrelevant in a long line of irrelevant budgets.

"The budgeting of a government," declared Mr. Tyndall, "like the budgeting of a company, should aim at two things: to achieve solvency and to lay the foundations for the future creation of greater wealth. Mr. Healey's budget does neither.

"Faced with a situation in which Britain is consuming more than she is earning, he doesn't do the logical thing: to adjust the level of consumption to the level of earnings. He attempts to borrow his way out of trouble with yet another multi-billion dollar loan from the International Bankers.

"Secondly, Mr. Healey's budget does nothing at all to encourage the creation of added wealth."

"Creating added wealth means working hard, and with the best tools and in the most efficient manner, so as to produce goods for which there is a market," Mr. Tyndall continued.

INDUCEMENTS NEEDED

"The British people are capable of working as hard as any other – but there must be an inducement. What is the point of making the extra effort to increase one's income if the best part of the gain is taken away in taxes?

"In the same way, Britain's factories are not going to get up-to-date machinery without new investment. Budgets must enable industry to make profit, so as to attract investors."

Mr. Tyndall felt that the cuts of educational establishments should have been much more selective. A top priority should be given to training skilled technicians and managers, and to paying them a decent income when they qualify, to keep them in Britain.

Finally, he declared that government strategy must be directed towards building up a strong home market.

"The best market we will always have is in this country. Exports are very welcome, but they are just an extra. A large and strong home market is the bedrock on which all great manufacturing nations build."

Scargill, Allaun want NF banned

MARXIST Labour M.P. Frank Allaun and communist Mineworkers leader Arthur Scargill have both demanded bans on the National Front. These tyrants claim to protect 'democracy' in Britain and to represent the interests of the working man.

Scargill demanded that members of the National Union of Mineworkers should help force through legislation to ban the NF – one way being for Union members to take to the streets.

Scargill, a self-admitted Marxist, received short shrift from the NUM rank and file, however. One member wrote to the NUM newspaper *The Miner:*

"This country can never be rich or great as it was while we have over one and a half million people on the dole and thousands of immigrants swelling that number. No, I am not a fascist. I am a number one British working man."

Bad luck, Arthur.

His comrade in the Labour Party, Frank Allaun, was at the same time calling for the NF to be banned

Frank Allaun

from having TV broadcasts during the General Election. He wants the whole Trade Union movement to endorse this demand.

A "former Communist", Allaun supports the Communist Party *Morning Star* newspaper and wants to cut Britain's defence budget by £1000 million "because Communism isn't a threat."

What's going on in Birmingham?

JUST WHAT is going on in Britain's second-largest city, Birmingham? The answer to that question is much the same as a lot of other cities and towns in Britain today under Labour and Tory rule – Colour, Communism and Corruption – except that Birmingham seems to be getting more than its fair share right now!

• The Labour Group on Birmingham City Council is completely dominated by far-left, pro-Immigrant councillors. Ordinary British folk in Birmingham can expect no sympathy from them on the appalling multi-racial chaos they live in.

When one Labour councillor, Mr. Frank Carter, had the temerity to support a mild anti-immigration resolution, he was promptly expelled from the Labour group.

Local supporters of Mr. Carter's were so furious that police had to be called when they kicked and punched multi-racialist Labour councillors outside the Town Hall. One Councillor described the angry pro-British citizens as a "foul mouthed rabble".

Support for a halt to immigration then flooded the Council from all sides. Father Ernest Parsons of Emmanuel Church said: "Within ten years I could become a missionary in my own parish. It is time immigration was halted."

• It's hardly surprising that so many Labour councillors in the Midlands are pro-immigration – when the West Midlands County Council Labour leader is a communist sympathiser!

He is the man with the foreign-sounding name, Mr. Stan Yapp, who not long ago opened a Christmas bazaar in the centre of Birmingham organised by the Communist party.

• Communists in the Labour Party appeared right in the open in Birmingham again recently when Trotskyites and other extreme left-wingers attempted to seize control of Birmingham Trades Council's executive committee.

• Birmingham not only has too many Communists – it has too many immigrants as well. 10,000 in Stechford alone, for instance.

So great are the numbers that Immigrants are cramming people into houses in Birmingham far above the permitted maximum of 12 per household.

In Saltley, a certain Abdul Rahmin is faced with legal action unless he stops overcrowding his four-bedroomed house with 19 people living in it. In addition to his own family, Rahmin has allowed his two brothers and their families to live there! No wonder the Government doesn't bother to look for illegal immigrants any more!

• Muggings by black immigrants have also hit Birmingham in a big way. In Edgbaston recently, three West Indian girls who attacked a 72 year old woman told police they did it because they "hated white women".

The Blacks knocked the old woman to the ground and stole her handbag containing £30. Three days later they jumped another woman from behind, stealing her handbag containing £24. While she was lying on the ground, one of the West Indians kicked her, saying: "You white bastard." Another of the Blacks told police: "I know it's wrong but I'm not sorry."

• A few days earlier, in Balsall Heath, a 60 year old woman had been thrown to the ground by a young Black who grabbed her handbag only yards from her home. The attacker was described as West Indian or half-caste, with long hair.

In Snow Hill, another woman was robbed at knife-point by a Black who pressed the knife to her neck and demanded money. He got away with £10.

Throughout Birmingham, women (particularly the elderly) now walk in fear of these cowardly attacks by alien thugs, even in broad daylight.

• Meanwhile, Asian confidence tricksters in Birmingham have stumbled on a more sophisticated racket to line their pockets. They are borrowing keys from estate agents under the pretence of being interested in buying property, and then selling copies of the keys to home hunters for £150 "key money" – conning people into thinking that they own the house or flat. This lucrative swindle is being operated not only at the expense of Whites –

but of Asians as well, who according to one Pakistani social worker are being "fiddled left, right and centre"!

NO WONDER PEOPLE IN BIRMINGHAM ARE WORRIED. BUT THE DECENT, HARD-WORKING WHITE BRITISH MAJORITY *CAN* DO SOMETHING ABOUT IT, AT LEAST IN STECHFORD. THEY CAN VOTE FOR THEIR NATIONAL FRONT CANDIDATE, ANDREW BRONS. HIS ELECTION WOULD GIVE THE TRAITORS WHO HAVE RUINED BRITAIN SOMETHING FOR *THEM* TO WORRY ABOUT!

Half-caste Red Teacher had schoolgirl harem

"EROTIC little ravers!" This was how mulatto Communist teacher Andrew Smith regarded the inexperienced schoolgirls in his charge at Alfred Sutton Bi-Lateral School, Reading, Berks.

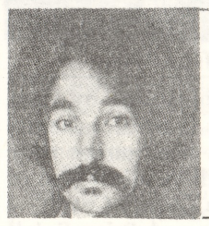
After "history lessons" in which he dwelt on the sex life of British monarchs, he would lure schoolgirls for illicit sex.

He boasted of his sexual adventures in a 17 page letter to his fellow teachers but amazingly no disciplinary action was taken against him until outraged parents got to hear of his conduct.

Miss Mavis Cordery, Headmistress, admitted that she had seen Smith's account of his exploits but claims that she thought he was "just fantasising".

Smith is a member of the Trotskyite Workers' Revolutionary Party. Teachers belonging to that group in another school in North London were last year found to be holding regular sales of subversive literature to pupils.

Education for National Survival, the recently-published NF educational policy booklet, advocates a greater say for parents over the type of person allowed to teach their children.



Andrew Smith

This would give children the protection which the present 'Trendy-Lefty' educational Establishment is unwilling to give.

'Benn is great' - Trotskyite

ANTHONY Wedgewood Benn and Michael Foot and others of their ilk in the Labour Government are "ideal vehicles" for carrying through a Red revolution in Britain, according to Greek Trotskyite Michel Raptis.

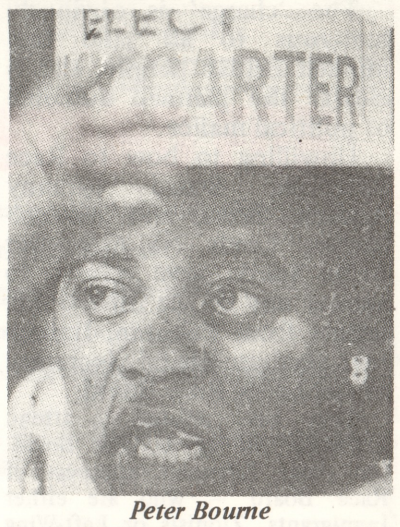
Raptis, former Secretary of the International Trotskyist Movement, gave his view in a paper presented to delegates at an international conference of Leftwingers held at Bradford recently.

Raptis claimed that a Red revolution would be brought about by peaceful means. Another delegate, Prof. Fritz Vilmar, of the German Social Democratic Party, called for an international federation of Left-Wing groups.

What – another one?

Introducing Carter's favourite Red

ONE of the more shocking of President Jimmy Carter's appointments is that of psychiatrist Peter Bourne as Special Advisor on Mental Health.



Peter Bourne

Bourne is an old family friend of Carter's – indeed it was Bourne who in 1973 first asked Carter to run for the Presidency and who master-minded his campaign trail from obscurity.

Bourne was a regional leader of the **Medical Committee for Human Rights**, an offshoot of the Marxist **Students for a Democratic Society**. The job of Bourne's Medical 'Committee' was to provide first aid for S.D.S. rioters!

He was involved with the **Vietnam Veterans Against the War** (cited as subversive in an F.B.I. report to the House Internal Security Committee in 1972); spoke at meetings organised by the **G.I. Coffee House Movement** (which provided venues into which lonely G.I.'s were lured and incited to desert); and was a sponsor of the **Harrisburg Defence Committee** (which aided those who organised Call-Up disruption).

In 1969 Bourne wrote an article for the Marxist *Ramparts* magazine which called on Army medical personnel not to participate in the Vietnam war. As late as 1972 his speeches were receiving favourable reviews in the Trotskyite *Red Militant* magazine.

Bourne had a natural affinity with the hippy/drugs sub-culture which "flowered" in San Francisco in the late 1960's. He taught a "General Health for Non-Straights" course at the **Free University** in 1968. This 'University' hatched the murderous **Symbionese Liberation Army**.

His wife, Mary, is likewise a Red from way back. Jailed for inciting racial clashes in the early 1960's, she was later an aide of the Black Power rapist Stokeley Carmichael.

For fuller details of the sinister backgrounds of Carter and his associates, see December, 1976 and January, 1977, *Spearhead*, 15p + 6½p post each.

Leicester faces Immigrant flood 'for years to come'

LEICESTER Branch of the National Front has received from an anonymous supporter employed by Leicestershire County Council a copy of a secret official internal memorandum prepared by County Council education department officials, headed: "Arrival of Immigration Children in Leicester".

For years, Conservative, Labour and Liberal Councillors have denied that comprehensive statistics on Immigration have been kept, or that they were able to provide figures on the number of Immigrants arriving in the City or County of Leicester.

For years the National Front has accused the Councillors of telling deliberate **lies** in support of the policy of successive Tory and Labour governments to dupe the British people concerning the true extent of the coloured invasion . . . a policy frequently exposed by Enoch Powell.

The secret Council memo shows:-

1. That the number of Immigrants arriving in Leicester is rising again.
2. That for the last four years at least 1,000 Immigrant ***children*** *per year have arrived in Leicester* ***alone.***
3. That certain Leicester schools are already under great pressure because of the Immigrant influx, and the position is getting worse.
4. That Immigration into Leicester as scheduled by successive Tory and Labour governments will continue at least at the present rate for years to come.

By comparing figures given in the secret memo with official Government population statistics, it can be calculated that bearing in mind the enormous Coloured birth-rate, the British people of Leicester will be outnumbered by Blacks within 20 years!

The horrific situation in Leicester is duplicated in dozens of cities throughout Britain.

The exposure by Leicester NF of these facts has caused Leicester Labour Party to demand that the NF be banned. Cynical Conservative leaders, in co-operation with the *Leicester Mercury*, have launched a phoney "anti-immigration" campaign. (It was the Tories who let in the Ugandan Asians!)

Leicester Community Relations Council chief twerp Mr. Barry "I'll-fight-with-the-Blacks" Brazier has produced 100,000 leaflets which claim to "tell the truth about Immigration".

The leaflets, a pack of childish lies, were distributed by Labour **and Conservative** party members in a **joint operation.**

Outnumbered . . . surrounded – your child?

Race Boss gets £11,600 on the Rates!

THIS is supposed to be a time when it is vital to make cuts in public spending. The Government tells us this is so important that £300 million has to be slashed off defence. Cuts will also affect the hospital services.

Yet a "Chief Community Relations Officer" in Brent, Mr. Phil Sealey (above) has been given two years *paid leave* from his parasitical and useless job at a cost to the taxpayer of £11,600!

He will be taking a degree course while collecting this money, after which he will return to his £5,800 a year job as a professional race-mixer. So much for the "cuts in public spending"!

1500 Blacks arrive each week - MP

MR. RONALD BELL, the only Tory MP apart from Enoch Powell who has the courage to tell the truth about Coloured Immigration, recently revealed that 1,500 coloured immigrants "set up home in Britain every week".

Mr. Bell, speaking at Beaconsfield in December, said: "That figure might be even higher since no one knows for certain how many became permanent residents of Britain. It was impossible to tell because there were so many Immigrants in Britain that 'visitors' could just melt into the Coloured population and never be identified."

The M.P. said that statistics were not to be trusted. Official figures of Immigrants given permission to stay was 58,000 a year, but he added that statistics of admission and embarkation were very much higher.

200 a week were being given permission to settle on the basis of marriage alone, apart from their numerous dependants.

"In all categories," said Mr. Bell, "there is an increase in numbers, not a decrease, and no apparent intention on the part of the Government of doing anything about it. Britain is in danger of losing its distinctive identity."

Not only is the Government not doing anything about it – it is positively helping the Alien Invasion. The Home Office has published a leaflet, in co-operation with the "Community Relations Commission", entitled *ILLEGAL ENTRANTS: What you should do.* **This leaflet is designed to help Illegal Immigrants avoid deportation!**

It says: *"This leaflet gives advice to people who think they may be affected by the Home Secretary's recent decision about the removal of illegal entrants . . ."*

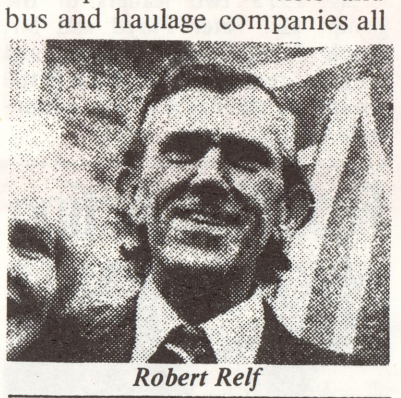
It then explains to illegal Immigrants how they can benefit from the Government amnesty; and how they can get permission to stay in Britain; and how all their dependants can stay as well!

NEWSPIG

"Look, if Dr. Jacob Gewirtz says the NF have a functioning gas chamber behind their HQ, then that's what we print! Remember – we've got our advertising revenue to think of!"

Secret jobs blacklist - race-mixers victimise Relf

'RACE Rebel' Robert Relf – since 1948 a bus or heavy goods vehicle driver – believes that transport union leftists and Immigrant groups have warned bus and haulage companies all over Britain not to employ him.



Robert Relf

After recovering from his jail hunger strike he secured last December a job as a coach driver with a firm 12 miles from his Leamington Spa home. "With your experience you're just the man we need!" he was told.

After only two hours work on his first day he was sacked for "lack of experience". A Solicitor NF member has offered to help Mr. Relf sue the firm.

Mr. Relf applied to a Warwick bus company. He was told that there were no vancancies, but that should a vacancy arise he would be contacted. A week later the firm advertised for a driver without contacting him.

After applying to the West Midlands Passenger Transport company at Coventry he was told there were no driving vacancies but conductors were needed. He applied for a conductor's job, but was rejected.

Undaunted, he wrote to the Derby County bus company, but was ignored. He wrote as far afield as the East Kent bus company, also without success.

Mr. Relf declared: "In view of my qualifications, these rejections must be the outcome of political victimisation. Asian T.G.W.U. members organised a similar campaign in 1964 which prevented the Midland Red bus company from employing me."

Patriotic employers with job offers can phone Mr. Relf on (0926) 32432. He has clean P.S.V. and H.G.V. Class 1 licences.

IMMIGRANT CASH BUYS RUSSIAN ARMS

MILLIONS of pounds sent back to India by Immigrants in Britain are being used to buy expensive Russian weapons, according to Mr. William Saxbe, until recently American Ambassador in New Delhi.

In an interview with *U.S. News and World Report,* Mr. Saxbe said that the Indian Government had accumulated "about £877 million from its people who work in the United Kingdom."

"All of them," he said, "send money back to their families in India, and this has become an important source of foreign exchange. The Government holds down on imports and uses much of the money saved to pay Russia."

Mr. Saxbe explained: "The Russians sell them tremendous amounts of military equipment."

Indian Prime Minister, Mrs. Ghandi, has now turned India into a ruthless pro-Soviet dictatorship – supported by British money exported by Immigrants!

Millions of pounds are sent out of Britain by Immigrants every year – much needed capital that is just drained away out of the flagging British economy.

As revealed in *Spearhead* recently, British banks have established facilities to make it even easier for Immigrants to export cash to their homelands.

This flow of British money abroad to prop up corrupt Afro-Asian Communist dictatorships must be stopped.

Despite the propaganda . . .
Ordinary British People reject multi-racialism

FROM ALL parts of the country comes evidence that the British people, despite the massive propaganda drive of the "Community Relations" industry and the brainwashing of the media, are firmly rejecting multi-racialism.

Ordinary British folk are just not prepared to accept the take-over of their country by hordes of alien Immigrants – it's that simple. They don't "hate" anyone; they are just reacting instinctively against a foreign invasion that is rapidly changing their country and their way of life.

• **HOUNSLOW** bus drivers have recently been criticised by the local Labour party for plastering their buses with anti-Immigration stickers. Buses carrying the stickers are leaving the garages frequently – "giving the impression that London Transport endorsed their views," wailed one Labour councillor!

The stickers were described as "of the Keep Britain for the British type".

"As fast as they are scraped off they are replaced," said Cllr. Flanagan, who works at the garage. "They just keep coming back."

• **AT ROTHERHITHE,** South London, an Indian sub-postmaster was sacked after a 115-page dossier of complaints by local White customers had been compiled by the Post Office. Local people were just not prepared to tolerate the arrogance of the postmaster, Shashikant Katwala.

At an Industrial Tribunal hearing on the Indian's dismissal, a solicitor for the Post Office said that of 15 complaints in one year in the region, seven were about Katwala. "There is a consistency in the complaints against Mr. Katwala concerning shouting, threatening and yelling," he said.

• **IN CAMDEN,** an attempt by the "Camden Committee for Community Relations" to persuade business concerns to sign an "Equal Employment Opportunity Declaration" has proved an abysmal failure.

The scheme, promoted by CCCR chiefs Alderman Gurmukh Singh, Cllr. John Lipetz and Lucie Kaye, invited firms to publicly declare their willingness to employ Immigrants.

Since 1974, when the scheme was started, only 4 new signators had been won!

• **AT LONGBRIDGE** British Leyland Plant, "racial discrimination" is being practised by angry White workers anxious to preserve their jobs and promotion prospects, according to Handsworth-based "community relations" busybodies.

They say that White workers, organised by their shop stewards, are making sure that Immigrants do not jump the promotion queue. This is done by means of an aptitude test taken before workers are upgraded. Management and shop stewards have set a test standard which few Blacks have ever passed. Recruitment at Longbridge has also been made to favour White workers.

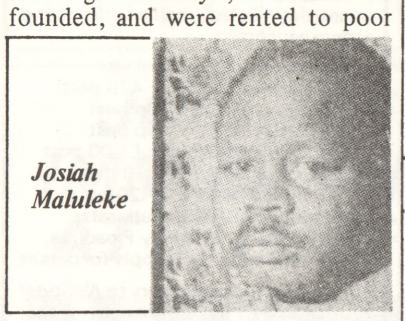
• **AT CAISTOR** in rural Lincolnshire, an Indian doctor, appearing before a General Medical Council disciplinary committee on charges of indecently assaulting young women patients while examining them, accused local residents of "racial prejudice" in making the accusation. (He had been fined £500 a year earlier for indecent assault).

It appears that the burghers of Caistor are "prejudiced" against an Indian indecently assaulting their womenfolk. Well fancy that!

Black Race Boss in squatters 'rent' fraud

AN Executive Committee member of Lambeth Council for Community Relations, black Rhodesian Josiah Maluleke, is being investigated by Police for charging 'rent' to squatting 'tenants' in derelict properties.

The empty houses, described as "unfit to live in", were taken over by Maluleke's "Brixton Homeless Housing Society", which he founded, and were rented to poor people who believed they were legal tenants. They paid him £10 a week.



Josiah Maluleke

Out-of-work Maluleke was also drawing £25.50 from Social Security and living rent-free in one of the houses.

Said one 'tenant' after being evicted: "Until the bailiffs arrived this morning I thought he owned this house."

The black Community Relations chief was declared a bankrupt last June after failing to pay legal costs following a court appearance for making false Social Security claims.

Maluleke absconded from a Rhodesian detention camp in 1966 and had his fare paid to Britain by Mrs. Barbara Castle's Ministry for Overseas Development. He then went to University at the taxpayers' expense – which seems rather unnecessary in view of the obviously low qualifications needed for "community relations" Executives.

'British working class half-witted' - Zionist

"BRITISH working class halfwits!" This was just one of the insults hurled at British people by Zionist fanatics at a meeting in January of the Manchester Jewish Communal Council.

Enraged by rumours that the National Front is to open an office in Manchester and hysterical over the growing number of British people who vote NF, the arrogant Zionists demanded a crude anti-NF smear campaign to "educate the halfwitted working class".

"Only intelligent people realise what fascism is all about!" they shrieked.

No doubt their next desperate move will be to demand the prosecution under the Race Relations Act of all patriotic Britons (i.e. "fascists!") who dare to vote NF!

Patels beat Smiths to Council homes

ACCORDING to a survey by the Population Census Office (not reported in any British newspaper), Smith, Jones, Williams, Brown and Taylor are still the most common names in Britain.

But, the survey reported, several new names have now joined the Top 100. **Patel** is now in slot 41, and **Singh** is the 57th most common name in Britain.

A recent notice in the *Slough Observer,* however, makes it quite clear that the Patels and Singhs are beating the Smiths and Jones into council housing. Under the heading "Awarded Council Houses", it listed the recipients of 4 and 3 bedroomed houses as:

"G. Randhawa; M. Kapil; J. Chohan; M. Sharif; Z. Uddin; H. Juttla; B. Juttla; Z. Ali; L. Mullar; J. Knox; T. Singh; R. Lindo; K. Singh Jaswal; M. Butler."

We hope Messrs. Knox and Butler can find the odd Smith or Jones to keep them company.

N.F. RAILWAYMEN'S ORGANISATION FORMED

IN 1974 an independent group of British nationalists employed by British Rail in the Watford area was set up and attracted over 30 members.

By 1975 two leaders of the group, Mr. Peter Floyd and Mr. Derek Skingle, realised that real progress could only be made if the group had the backing of a nation-wide political party.

So they joined the National Front and, apart from a few faint-hearts, so did most of their members.

The group became an NF Branch and now forms the base for a nationwide **National Front Railwaymens' Association.**

Mr. Floyd told *NF News:* **"With increasing numbers of Blacks employed on the railway who are championed by the Reds who run the railway unions, White railway workers must organise to defend themselves."**

Only NF members may join the N.F.R.A. All NF railwaymen **should** join. Apply via Head Office.

Frontline Action

DERBY: Mr. Robert Vickers (third from left) Derby Branch Organiser, on his way to Derby Magistrates' Court on 12th January to refute a charge that the NF anti-mugging bill he posted about the town is "offensive".

Police sought permission to prosecute under the Race Relations Act, but were refused by the Attorney General, so they resorted to the obscure "Derby Improvement Act" of 1879!

When he arrived at Court (after putting up a few more posters), Mr. Vickers learned the case was postponed.

HACKNEY: Hoxton residents have elected local NF G.L.C. candidate Mr. Derrick Day Chairman of the Hoxton Improvement Committee. Also elected was Liberal G.L.C. candidate Mr. Jeffrey Roberts. Liberal Peer Lord Avebury has called on Liberal voters to boycott the mildly anti-Immigration Mr. Roberts.

Meanwhile, Hackney Labour Party is asking Hackney Tory and Liberal Parties not to contest local elections "to avoid splitting the anti-NF vote".

BRISTOL: After a close vote, Labour-controlled Bristol Council decided in January to ban the NF from Council halls, in line with national Labour policy.

Bristol NF members, led by Wing-Commander Peter Lewis-Witham, laid a wreath on the Town Hall steps – "Free Speech R.I.P." – gaining big press and T.V. publicity.

Branch Organiser Mr. Ray Dowler at a press conference promised to withhold part of his rates. "I'll go to jail rather than pay for tyranny," he vowed.

ACCRINGTON: Blackburn and Accrington NF Branch are holding a series of demonstrations against the decision of Hyndburn Council to buy a building for Hyndburn Community Relations Committee.

Lancashire papers reported Branch Organiser David Riley as saying: "This expenditure of public money is for the sole benefit of the Asian community, and is thus an insult to British ratepayers at a time when Rates are being raised and basic Council services reduced."

HEMEL HEMPSTEAD: Hemel Anti-Racist Committee, set up to oppose the Hemel NF Branch, has been rebuffed by local Conservatives who refused to join the 'all party' group because it "undemocratically" refused to invite the NF Branch to join. The smarter-than-average local Tories know that behind the dotty Vicars who 'front' for the HARC is a Mafia of Communists and Zionist aliens.

GREENWICH: Jane Dunster, 14, a Kidbrooke Comprehensive School pupil, upset by obscenities in a pro-racemixing propaganda book issued to her class, complained to her mother. Complaints to the school were ignored, so Mrs. June Dunster contacted Mrs. Helena Stevens, Greenwich NF Branch Secretary.

As a result, details of Mrs. Dunster's complaint were prominently published in the *Daily Telegraph,* and NF members joined parents in a protest picket outside the school.

NUPE Reds hound NF men

COMMUNISTS and International Socialists within the National Union of Public Employees are trying to prevent National Front members who belong to the union from holding office, or even a union membership card.

Mr. George Harper is a Shop Steward of the Stafford Hospitals Branch of N.U.P.E. He is also an active member of the Stafford Branch of the National Front. Leftists in the Union branch are trying to hound him out of office by moving these resolutions:–

"That Bro. Harper either leaves the National Front or is asked to resign as Steward . . ."

"That Bro. Harper disowns the policies of the National Front, and that this matter be referred to the Executive . . ."

Mr. Harper has issued a leaflet to fellow workers which warns:

"If this move to discredit me is successful, then no other member – Conservative, Labour, Liberal or democratic Socialist – would be permitted to have a say in the affairs of the branch. Only confirmed Marxists would be considered eligible to hold office by the Communist element who now seek control of the branch."

LEICESTER FIRST IN RACE TO OPEN REGIONAL H.Q.

THIS is the first Regional office to be opened by the National Front – and it is the proud possession of Leicester Branch, whose 48 candidates in City elections last May attracted 43,000 votes.

Desperate to try and destroy the Branch before next May's County elections – in which the Branch will field over 70 candidates – Communist thugs intimidated publicans and hoteliers so as to deny the NF a meeting place.

Determined to beat the bullies, Branch Organiser Anthony Reed-Herbert and his Committee established a fund last Autumn and by Christmas members subscribed enough loans to secure these fine premises at Humberstone Road, Leicester.

Other NF Branches will soon follow Leicester's example.

Mrs. Ron Davison writes to *NFN*

"THANK YOU for the efforts you are making to help me and my family while Ron is in prison. I have already received a substantial cheque from the NF North London Region which will take the worry of next month's big bills off my shoulders.

*"We went to see Ron yesterday. He is very well and had received large numbers of Christmas cards. Those who want to write to him should address their envelopes: **D743 Davison, H.M. Prison, Sudbury, Derby.***

"We must all look forward to a better, brighter 1977.

Yours sincerely,
IRENE DAVISON."

Ron Davison was jailed after fighting to defend an NF candidate from a Red mob. Please help his family. Send cheques or P.O.'s made out to "Wolverhampton NF Branch" and crossed "Ron Davison Appeal" to Mr. J. Eyre, 16 Ward Road, Wolverhampton, Staffs.

New NF Region

DUE to increased recruitment of new members into the National Front in Dorset, Devon and Cornwall, the party has decided to hive off those counties from its West of England Region in order to form a South West of England Region.

A Regional Council will be convened soon by the newly-appointed Regional Organiser and Agent, Major Ian Clarence, a recent recruit of the Bournemouth and Poole Branch.

Preliminary arrangements were discussed by 40 NF organisers and Activists who attended the Annual dinner of Dorchester Branch on 15th January, organised by nationalist veteran Mr. Jack Swabey.

CALLING CANDIDATES!

Would those NF members who have not been selected by Branches or Groups of the party to stand as candidates in the next General Election, but who wish to be considered as candidates, please inform NF Head Office in writing, supplying their personal details.

The future belongs to us!

SUPPORT for the NF is so strong in Hackney, London, that open-air rallies are family affairs. Mum, Dad, Auntie Glad and all the kids join the throng to cheer NF Chairman John Tyndall, candidate for Hackney South & Shoreditch. "Give our youngsters a British Britain," says 'J.T.' Thumbs up to that!

SEND US NEWS

NF News is keen to receive news items and research data. We welcome and use 'inside' information from anonymous donors.

We want cuttings from local or specialist papers showing multi-racialism; corruption in politics, business or the media; extreme Left, Zionist and anti-NF activity, etc.

We want recent press cuttings on NF branch activities and personalities – and also accurate, legible reports and photos of newsworthy NF events not reported by the press.

Mark all cuttings with the name and date of the source of publication.

THANK YOU!
